MEMORANDUM

December 21, 2010

To: Workers' Compensation Colleagues

From: Peter J. Calderone, Director and Chief Judge 

Subject: Workers' Compensation Centennial

2011 will be the 100th Anniversary of the New Jersey Workers' Compensation Program. Our Centennial Committee is finalizing events and activities for next year. Already in place is a Celebration and Recognition Dinner on May 17, 2011 and a no fee Seminar with CLE credits at all our vicinages on May 2, 2011. You will notice articles concerning our workers' compensation history beginning with a piece in a January 2011 Law Journal. We also expect the New Jersey Legislature to issue a joint resolution early next year on the Centennial.

The Centennial Poster is available without charge at all of our offices. Please take as many as you want since we can print them at this Department. The poster can be framed in an 11 x 17 inch poster frame that is available at most craft stores or other picture framing methods.

We are interested in any suggestions you may have to recognize the Centennial. Please contact any member of the Centennial Committee, list attached, with your suggestions or comments.

Best wishes for a healthy and successful New Year.
