### MEMORANDUM

May 9, 2008

To: All Judges and Attorneys

From: Peter J. Calderone, Director and Chief Judge 

Subject: Transcript Fees

The four court reporting companies for workers' compensation have been charging differing fees for transcripts under the current State contract which will expire at the end of August, 2009. This contract is silent on a number of charges and it is anticipated that the next contract will cover all such issues. Therefore, after consultation with the stenographic services and to provide uniform allowances for the remainder of this contract, the attached transcription fee schedule has been adopted.
